ABOUT ME

I am a Bachelor of Business Intelligence and Analytics with experience in Web Development, and UI Development. My proficiency in the core foundations of Web Apps, and other Web Development technologies allows me to build highly functional and user-friendly web applications with a mobile-first approach. Seeking opportunities to contribute my skills and collaborate to deliver effective Web solutions.

PROJECTS

- Shop Right - Full Stack E Commerce

<https://github.com/aryanamdev/shop-right>

A Full Stack E Commerce WebApp using, **Firestore**, **Auth**, **React**, **Vite**, **Tailwindcss**, **ContextAPI** where you can see products, add them to cart, edit quantity, edit cart, sign in, go to dashboard, sign out.
